Your blue bin is collected once every four weeks.

Your blue bin will be collected from the kerbside. Please put your blue bin at the kerbside by 7.00am on the day of collection (unless you receive an assisted collection of your domestic waste bin).

When your blue bin collection does not occur on the correct day, we will aim to collect it within the next working day.

Please ensure that the bin lid is closed. We will collect extra paper and card from the side of the blue bin but please do not place in plastic bags, instead bundle together and tie securely or place inside a cardboard box. Please ensure your bin does not block the highway or pavement.
